SURGEON OF THE FUTURE

The Seattle Surgical Society Annual Meeting will be held on Friday, January 11, 2013 at the Westin Hotel followed by the banquet at the Columbia Tower Club.

The theme this year will be “The Surgeon of the Future”. Our approach for this year’s program focuses on an update in general and specialty surgery topics, offered by regional authorities in these areas and, hopefully, serving as catalysts for some vigorous discussion from the floor.

As in the past, we will include the 3-minute resident paper competition and “Surgical Jeopardy.”

We strongly encourage you to attend and support our Society. Please consider inviting a guest to the meeting and the banquet.

Program Agenda
