EXHIBIT OVERVIEW

FRIDAY | JANUARY 23, 2026

On behalf of the Seattle Surgical Society, we are delighted to invite you to participate in our 2026 Annual Meeting on Friday, January 23, 2026. The Seattle Surgical Society is a non-profit organization focused on the professional needs of surgeons within the Seattle Metro area and nearby communities. Our President is Nicole White, MD from UW Medical Center - Northwest. The program chair is Lawrence Cetrulo, MD also from UW Medical Center - Northwest.

The Seattle Surgical Society's CME-accredited annual meeting provides surgeons, medical professionals, and our industry partners with an opportunity to discuss the latest technology and solutions that are improving clinical practice and patient care.

The Seattle Surgical Society also strives to build, foster, and strengthen connections both old and new. Our meeting venue, The Hyatt at Olive 8, offers a beautiful and intimate exhibit hall with floor-to-ceiling glass walls, just outside the general session rooms. With your support, we hope to continue providing an opportunity for these connections and educational programs to flourish for years to come.

We hope that you will be able to join us!
